April 2016 Meeting

Site Visit - Australia Garden Cranbourne Saturday 16th April

I am looking for expressions of interest from members and visitors to join a private tour of the Garden, part of the Royal Botanic Garden, Cranbourne located some 45km from the CBD with an entrance on Melway Ref 134 A10

Guided tours last about 2 hours and are either 10:30 or 2:00 start and I have requested a guide with a good knowledge of the colours of the Garden visiting as we are in the Autumn phase of the gardening year. There will be a charge for this and I propose members pay \$4 and non members \$12. They ask that tour groups are limited to about 12 but they are not rigid about this.

Depending upon the time preference we could then either have lunch or afternoon tea in the on-site cafe which when I have been before has been very good and overlooks the Garden

Please can you let me know one way or the other if you would be interested in coming along and supporting this activity. An answer by 22nd March would be appreciated
